

RSAT CY 2015 Notice of Award

This is to notify you of the upcoming CY 2015 RSAT grant announcement. The solicitation will open on August 19th and close at 3 pm (Arizona Time) on October 3rd.

The Commission has approximately \$428,424 available in federal and match funds and will be making these funds available to any state and local correctional agency to achieve the goals of the RSAT program for residential, jail-based and post-release projects. The following will serve as parameters in allocating the approximate \$428,424 in available federal and match funds:

- Approximately \$428,424 is expected to be available for residential and jail-based substance abuse treatment and post-release treatment services.
- At least 10 percent of the total funds allocated shall be made available to *local correctional and detention facilities* for either residential or jail-based substance abuse treatment.
- ACJC does encourage new applicants.
- Please note this is a \$168,881 reduction in available funds from the CY 2014 allocation.
